

## DECLARATION

I, PATRICIA A. ZABLOCKY of 74 Regina Street, Trumbull, Connecticut 06611 do make the following declaration of fact:

1. During the period January 22, 2008 through May 22, 2008 I was the docket clerk for Ware, Fressola, Van Der Sluys & Adolphson LLP of 755 Main Street, Monroe, Connecticut 06468.
2. As part of my duties as docket clerk I handled the mail list for incoming mail received from the U.S. Postal Service.
3. Except for April 18, 2008, each regular Monday-Friday work day during the period of April 17, 2008 through April 28, 2008, I assembled a list of all of the incoming mail received from the U.S. Postal Service and distributed it to the attorneys along with the mail for each attorney.
4. I have examined the mail lists for the period of April 17, 2008 through April 28, 2008 (copies attached) and have not been able to find any indication that anything was received from the U.S. Patent Office relating to the case 915-008.018 corresponding to U.S. Serial No. 10/749,872.
5. The period in question does not include mail lists for weekend days April 5-6, April 12-13, April 19-20 and April 26-27 because no mail list is made for Saturdays and Sundays.
6. As can be seen by the attached copies of the mail lists for the period in question, the docket numbers are listed in numerical order and the lists in question do not show anything incoming from the U.S. Postal Service for the case number 915-008.018.

7. Also attached is a master docket sheet for the entire firm of Ware, Fressola, Van Der Sluys & Adolphson, LLP comprising pages 58-63 of the master docket I prepared for the period May 1, 2008 through June 4, 2008.

8. Examination of the May docket sheets for the date May 16, 2008 does not show any entry for the case 915-008.018 under the deadlines or reminders.

9. If I had received a mailing during the period April 17 through April 28, 2008 for a Notice of Non-Compliant Amendment dated April 4, 2008, it would have been docketed for deadline on May 16 and there is no indication on the docket sheets that I prepared of any such thing.

10. Therefore, I believe that there was no communication from the U.S. Patent Office ever received by the law firm of Ware, Fressola, Van Der Sluys & Adolphson LLP concerning the subject patent application Serial No. 10/749,872 during the period April 17 through April 28, 2008.

11. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that all these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

Date: July 16, 2009
